## Faculty/Administration Issues

### Meeting the new Dean of Students, Ana Hernandez Blackstad.

- SC Elections
- Timeline for elections
- What are her goals this year? How can we collaborate together for AAU students and improve our assistance?
- How can SC cooperate with the new Dean? How can SC help?

#### Graduating Honors Debate (Last Week)

- Deans note their students not being able to be *summa cum laude* because of the state exams outweighing (in some cases) 3 years of A+ GPA. Dean of IR said she would initiate this discussion again in August; need to send an email for an update so SC plays an active role in this.
- The discussion is still outgoing because of the summer break. Joey will send an email to IR dean for updates.
- It's very important for at least one member to attend the meeting, and discuss our perspective on this.

#### Discussion about new admissions policy (document in SC email)

- Open it up :)
- Is it correct for students to pay 2000 kc for an application fee?
- New updates on this?

#### Orientation

- How did it go? Any problems?
- How can we improve it for Spring 2020?

### Clubs

Status of Club Applications

- Time to spread the word and share around SM for people to make a new club! Make poster.
- When is the deadline to apply (doesn't have to be strict, just to create pressure so we can calculate it within our budget.).
- Updates on the old/present/new clubs.
