

Student Council of the Anglo-American University

MINUTES FOR MEETING

*Regular Council Meeting
Friday, February 22nd, 2019*

This regular meeting of the Student Council was held in #1.32 room starting at 15:30 and ending at 18:15.

- Meeting with Sam about Martial Arts Club

- How did it go? What budget is needed? Can we approve them?

Elizabeth has studio in relation. Joey will contact her to see if there is some collaboration Sam can have with the studio. Main reasons for no mat is: too expensive, no proper storage space, no way to reuse this in the future when Club finishes. Can be liability with uncertified student teaching classes.

- Welcome Back Party!

- How did it go! Positives/Negatives. Budget spent/profit made?

Lots of people. Negatives was limited space. Stefan will update us this spent/profit next meeting.

- How was the Afterparty: how many students went? Is yousef happy?

Very good, up to 30 people went.

- Ball

(Open To-do list)

PROMOTE PROMOTE PROMOTE. Everyday FB posts about the Ball. Sell it. Open to-do list to see what different aspects you can promote.

Download "GoOut" app on android phones to scan tickets.

Make promotion video for the Ball, Michael/Joey. Do Saturday at team-building.

Fotobox and such will come at 18:00 to help carry boxes. Everyone needs to be at venue by 17:30. Be at AAU by 17:00.

We can do stamps for girls, and bracelets/strings for men who don't want to accidentally stain their shirt with ink.

Will promote after party separately once we have details.

MAKE TIMETABLE WITH SHIFTS FOR PEOPLE TO BE CHECKING TICKETS, needs to be from 7:30 - 11:00. Do pair shifts. Michael will do this.

Reserve SC table for us members.

Post screenshots of directions on how to get there: two routes, one with stairs so less friendly for high heels.

Michael will make sure the program follows along.

Miroslav needs microphone on his hat for dance lessons.

- How many tickets sold so far? How do we need to promote them leading up to the ball?
83.
- Ball Speech? who/what will be said?

Michael will give a speech.

- Have we picked a DJ? Yousef was going to hook us up, if not SC will run it (Joey/Tijana).

Iveta will tell us what they can provide for the DJ.

- After Party at ACE: guaranteed free entrance, Joey is in process of getting bonuses/promotions for AAU Ball Attendees the night of from Swerve.
Yousef will reply to Joey soon about promotional details.

Tijana will post the website tomorrow. Still work in progress, but its okay. Post anyways.
